### Objective

submitted the 18/400 15ml Boston Round **CRC Dropper Bottle** for a study to determine if the bottle/closure is in compliance with the Consumer Product Safety Commission's (CPSC) current protocol and standards for poison prevention packaging Code of Federal Regulations (C.F.R.) Title 16, Part 1700.20.

### Procedures

The protocol for evaluation of packaging for poison prevention (current C.F.R. Title 16, Part 1700.20) was strictly adhered to for this study.

### Panelists

In the course of this study 100 children (42 to 51 months of age) and 100 seniors (50 to 70 year-olds, 70% female) were employed.

### Results

Results of the study indicate that the meets **the standards for poison prevention packaging** according to current C.F.R. Title 16, Part 1700.20.
